

APPLICATION OF A POTENTIAL SUPERVISOR in the recruitment process of doctoral students and participants and/or TUTOR/SCIENTIFIC TUTOR of the extramural/external mode (“mode E”) at SWPS University		
<b>Name and surname</b> of the supervisor	dr hab. Aleksandra Kroemeke, prof. Uniwersytetu SWPS	
<b>Name of the research center/research group/artistic group</b> to which the supervisor belongs	<b>Health &amp; Coping Research Group</b>	
<b>List</b> of the most important scientific publications, completed and ongoing research grants; link to ORCID and/or to the ResearchGate / Academia.edu profile (or other website presenting scientific/artistic achievements)	<a href="http://orcid.org/0000-0001-8707-742X">http://orcid.org/0000-0001-8707-742X</a> <a href="https://www.researchgate.net/profile/Aleksandra_Kroemeke">https://www.researchgate.net/profile/Aleksandra_Kroemeke</a> Current ongoing grants: 1. Meaning-reconstruction process in cancer: the role of psychological flexibility. Intensive longitudinal and experimental studies. NCN, OPUS 20. PROSPECT: Providing Social Support and Health: Conditions and temporal dynamics. NCN & Deutsche Forschungsgemeinschaft, Beethoven Classic 4.	
<b>Discipline</b> for a future doctoral dissertation (possible: sociology, political and administrative sciences, culture and religion sciences, literary studies, psychology, fine arts and art conservation)	psychology	
<b>A brief description</b> of the research directions pursued by the supervisor (a few sentences describing the scientific/artistic specialization; main research problems; scientific interests) and a possible link to the website/research team	Clinical health psychology. I conduct research focused on coping with illness of patients and their caregivers (longitudinal studies, intensive longitudinal studies i.e. daily and EMA studies, and dyadic studies).	
<b>Thematic areas</b> of planned doctoral dissertations	Basic and applied research in the field of health psychology. In particular, projects on adaptation to the situation of illness and treatment of dyads (e.g., patient-caregiver, husband-wife, parent-child, doctor-patient) or triads (e.g., patient-caregiver-doctor), using longitudinal and intensive longitudinal research methodology. My current grants are concerned with (1) learning about the mechanisms of meaning-making in illness and the function of psychological flexibility in this process (2) conditions for effective provided social support. A doctoral student's dissertation could be related to these topics.	
<b>Number of people</b> that the supervisor / scientific supervisor would be able to accept as a result of recruitment in the academic year 2026/2027:	<b>to the Doctoral School</b> (doctoral scholarship financed by SWPS University)	Number: 1
	<b>for national and international research projects or grants</b> (doctoral scholarship financed from grant funds)	Number: 0 Project name: 0
	<b>to the Industrial Doctorate program</b> (doctoral scholarship financed by the Ministry)	Number: 0

	of Science and Higher Education)	
	<b>for external mode</b> (no doctoral scholarship)	Number: 1
<b>Number</b> of currently conducted doctorates:	in Doctoral School	Number: 2
	in external mode	Number: 0
<b>The number of doctoral students promoted so far</b> , along with the year of completing their doctoral degrees:	0	
<b>RECRUITMENT</b> Candidates should contact their selected potential supervisors who are members of centers and/or research teams		
<b>Conditions</b> to be met by the candidate in the field of: scientific interests; scientific competences; achievements to date; knowledge of foreign languages; social competences; availability, etc.	<ul style="list-style-type: none"> <li>— Graduate in psychology.</li> <li>— Convergence of area of interest with mine.</li> <li>— Knowledge of English to read and write scientific texts.</li> <li>— Good knowledge of statistics and openness to expanding knowledge in this area (advanced methods of analysis, various software).</li> <li>— Publication and conference experience.</li> <li>— Ability to work in a team.</li> <li>— Guided by ethical values in work.</li> <li>— Scientific activity since the first year of study (participation in conferences, training, research, publication activity).</li> <li>— High self-motivation, commitment, reliability.</li> <li>— An attitude of openness, curiosity, flexibility.</li> </ul>	
<b>Preferences</b> regarding contact with the candidate during recruitment	<input checked="" type="checkbox"/> E-mail contact: please provide e-mail address: <a href="mailto:akroemeke@swps.edu.pl">akroemeke@swps.edu.pl</a> <input type="checkbox"/> Telephone contact: <i>please provide phone number:</i> _____ <input checked="" type="checkbox"/> Personal meetings ( <i>by prior arrangement by e-mail/telephone</i> ) <input type="checkbox"/> All forms of contact	
<b>Preferred dates, times and location</b> (in the period March-June 2026) in order to conduct an interview with the candidate	Interview date to be determined by e-mail.
