Legal Design Forum

From business innovation to social innovation

SWPS University: Ostrowskiego 30 B, Wrocław,
9:00-16:00   20.09.2024

Legal Design Forum is a meeting and networking place for the academic community, entrepreneurs, representatives of the scientific community, law firms and departments, legal marketing and non-governmental organizations, conducive to finding ways to increase the usefulness of law in the conditions of a dynamically changing society.

Main areas of presentations and discussions:

1. social function of Legal Design
2. Legal Design as a social innovation
3. Innovations in the legal business
4. Legal Design as a tool for building a competitive advantage in the legal services market
5. Research with the users as a part of Legal Desing process
6. Legal Design projects carried out in interdisciplinary teams

Opening lecture in English: Prof. Dan Jackson
NuLawLab at Northeastern University School of Law
'The Once and Future Path of Legal Design'

Other speeches: Polish
